PLEASE SUPPORT MY RIDE

## I'm riding this summer for the 1 in 5

BC lung patients are among those most vulnerable to acute illness from respiratory infections, including COVID-19. Until a vaccine is available, these patients will be staying close to home.

Compassionate about their situation, the BC Lung Association is focused on enhancing and expanding virtual lung patient support services.

**BRITISH COLUMBIA  
LUNG ASSOCIATION**

.....

To donate to my ride search my name at: [bicycletrek.ca/donate](https://bicycletrek.ca/donate)

.....  
Every fundraising contribution, big or small, will be invested in getting BC lung patients the help they need now.

*thank you,*
